"All your children shall be taught by the Lord;
great shall be the peace of your children." -Isaiah 54:13

June 4, 2021

Dear Brothers and Sisters in Christ,

We invite you to our 2021-22 "Feed My Sheep" Fund Drive to raise funding for adequate educational and operational expenses for the knowledge welfare of God's children enrolled at Our Lady of the Lake Regional Catholic School. As our Catholic School moves forward through the Covid-19 crisis, we believe that we are navigating beyond mediocrity as we continue to carry out our mission to build our faith community.

Our Lady of the Lake Regional Catholic School took another step forward with an enrollment growth of 41% in the 2020-21 school year. The future is brighter, as we already have even more families registered for this coming year. We were able to instruct "in person" all year long with no "virtual" days or cancellations, thanks to the dedication and great partnership of our school parents, teachers, and staff.

Our Catholic School teaches about the Catholic Faith while promoting academic excellence and fostering Christian service, leadership, and the development of personal character. By providing a safe faith-filled environment ensuring academic excellence and exceeding Catholic School identity standards, educators can nurture the whole child. We are grateful for our returning teachers and volunteers who will continue to provide high quality instruction and an innovative curriculum for all children in our well-founded Catholic School.

The continued Covid-19 concern and uncertainties resulted in cancellation of our two major fundraising events again this year; the Vegas Night and the Stargazer Gala. We look forward to bringing our parents, parish family, community, alumni, and friends together again in future school years, through two fabulous evenings of entertainment and necessary funding. In place of these events, we are conducting a donation- based "Feed My Sheep" Fund Drive. Through this drive, we hope to secure finances for the educational and operational needs of Our Lady of the Lake Regional Catholic School for the 2021-22 school year, which is upon us.

We hope that you will be able to financially support our school through a monetary donation. If you cannot contribute at this time, there are many other ways that you can support us. Please share our mission with family members, friends, neighbors, or through social media. We invite you to pray for Our Lady of the Lake Regional Catholic School to continue to prevail in these challenging times through the many blessings we are given. Thank you for the investment of faith in Catholic Education and for your support of a financially successful year. Be assured of our prayers.

God's Blessings,
