Registration

Please note, enrollment for 2020/21 is filling fast. Our classes will be limited to 15 students to assist us in complying with social distancing requirements. If you have not already enrolled or completed your student(s) enrollment for 2020/21, including returning students, you must submit your enrollment packet as soon as possible. The enrollment process includes completing your student(s)' enrollment packet through FACTS Family Portal, paying the registration fee and submitting a payment agreement plan or submitting full tuition payment for 2020/21. At this time, our 1st/2nd grade section is full. Any additional students will be placed on a waiting list. If we have enough interest, we may be able to open another section. If you have any questions please contact the school office at 989.366.5592.

School Fundraising

Thank you to all of you that participated in our can drive this month. We are in the process of seeing whose class won the contest! A special thank you to Rosemary Thompson and Duke's Party store (Lee and Kaitlyn Paiva) for their assistance in manning this huge fundraising endeavor. Together we have raised over \$2000 in cans and still counting!

School is less than one month away from opening during these difficult times. We wanted to thank all of those who have sacrificed to support our students and teachers with their time and treasure. We are currently in the midst of a fundraising campaign seeking donations and pledges from both businesses and individuals for their support. If you are able, we are in need of volunteers on August 10, 2020 at 5:00 pm to assemble envelopes. If you are unable to make that date, there will be future opportunities for preparing envelopes, making follow-up phone calls to donors, and selling 50-50 Raffle Tickets. Each family is asked to pick up a packet of donation letters and forms to present to their own family and friends in an effort to raise at least \$1,200 per OLLRCS family. Office hours are 8:00 am – 4:00 pm. Please contact the office or Paulo Laorden at plaord2@outlook.com. Thank you and God Bless

Thank You Home & School

A huge thank you to our Home and School committee. They have been working hard to raise funds for Our Lady of the Lake Regional Catholic School by mailing over 500 COVID Relief Letters in an effort to replace our yearly Stargazer Gala, Vegas Night, Golf Outing and Rummage Sale. All of these fundraiser events were cancelled due to the pandemic. A special thank you to Paulo Laorden for leading this huge fundraising project.

Help Needed

- We are in need of volunteers to make follow up calls to the people that received the COVID Relief Letter. Please contact Paulo Laorden at plaord2@outlook.com if you would like to earn service hours and help out.
- OLLRCS is in need of lunchroom and recess help. We need someone to lead this group of volunteers to make sure lunch and recess is covered every day. Please call the office at 989-366-5592 if you are interested in helping.

God promises to make something good out of the storms that bring devastation to your life.

Romans 8:28

The favorite part of my job has been meeting and talking to all of you. While giving school tours, I can see the excitement of returning to school in your child's eyes. It melts my heart and makes all the hard work worth it. Thank you for trusting OLLRCS with your most precious gift from God, your child.
