## School Fundraising

We are currently in the midst of a fundraising campaign seeking donations and pledges from both businesses and individuals for their support. Letters have been sent out and we have raised over \$38,000 in the first 3 months. We will be making follow-up phone calls to donors, and selling 50-50 Raffle Tickets. Each family is asked to pick up a packet of donation letters and forms to present to their own family and friends in an effort to raise at least \$1,200 per OLLRCS family. Office hours are 7:45 am – 4:00 pm. Please contact the office or Paulo Laorden at [plaord2@outlook.com](mailto:plaord2@outlook.com).

Thank you and God Bless

## Successful First Week

The first week went better than any of the staff expected. Students were amazing with their acceptance of the new procedures. They seem so excited and grateful to be at school. Thank you for your partnership in helping us teach this younger generation acceptance of change.

Also, we have been overjoyed with all of our families generous outpour of supplies for the classrooms. I can honestly say the support from families is like nothing I have ever experienced. Thank you so very much for your support of OLLRCS.

# Thank You Home & School

In addition to the COVID Relief fundraising letter campaign, the home and school committee has been busy recruiting help for our busiest times; arrival, dismissal, lunch and recess times. Thank you for your continued efforts in making our school run smoothly on a daily basis.

**2 Corinthians 1:10**

The staff and I have been eagerly waiting for the reopening of school. Your children have truly been amazingly adaptable to the new changes. These pictures are just a glimpse of the joy we get to see in your child. Thank you for trusting OLLRCS with your most precious gift from God, your child.
